A special thanks to the grounds crew at the course who worked so hard to get the course improvements done and ready for the tournament, Steve Schoenfish, John Heisler, Dani Herring, Mike Phelps, and Scott Wince. Jamie Schomp the club house manager and crew for giving great service to everyone. Kathy Woods for cooking the steaks. I would also like to give special thanks to the board president Kim Richards for helping me with all the tournament preparations, and working on course improvements. Board members Janine Short, Dave Zwetzig and Barry Coacher for helping with sign-in registrations. Everything was so greatly appreciated by anyone and everyone that did anything at all to make the tournament successful for another year.

All the proceeds from the tournament goes back to the Newell Golf Club for course improvements, junior golf program and a golf scholarship fund. The tournament is dedicated to Brian's memory and also this year with special memory to Marjean Huber who passed away in April. This tournament is a celebration to the great joy they both had for life.
